Secretariat The reason why the Senior Surgeon sent it now to this office for transmission to the Residency is explained in his D.O letter of the 6th inst.

G 5. In his letter No. 827/52-96 dated 19th Feb. 1900, the F.A. Resident asked the Officer in charge of the Lunatic Asylum to forward the Com'rs official Visitor's Book once a quarter for the Resident's inspection & return. As the book was not being sent regularly the F.A. Resident repeated his request in his letter No. 2798 dated 23rd March 22 (sent thro' the Rev. Secretary) to the Officer in charge of the Lunatic Asylum ~~and through~~ The Senior Surgeon was thereupon informed that the Visitor's Book may in future be caused to be sent for the inspection of the Resident regularly once in a quarter" in this office letter No 25894 - Genl 96-21-4 dated 7th Apl 22 (Note - The words "through this office" have been scored out in the draft). The intention therefore seems to be that the book may be sent either by the Supdt. or thro' the Senior direct to the Residency without the intervention of the Secretariat. This view is also supported by the Supdt's letter No 246 dated 20.6.98 to

the F. A. Resᵗ & the reply thereto nº 7798 dated 13ᵗʰ Nov 18 ~~precedes~~ from which it will be seen that the Supdᵗ was sending the book direct to the Residency.

6. As the book was not sent through this office till now it may be returned to the Senior Surgeon for being forwarded to the Residency direct as hitherto.

7. A draft forwarding the book to the Residency is already in the file This will be unnecessary if the suggestion in the previous para is approved

Bangalore.....6th July.....192 3.

Dear Sir,

Your D.O. Letter No. L.95, dated 5th July 1923.

The Official Visitors' Book of the Civil and Military Station Lunatics was received in my office with the Superintendent's letter No 2, dated 2nd July 1923, addressed to the Secretary to the Hon'ble the Resident (through the Senior Surgeon). As the Subordinate Officers of this Government are not, as a rule allowed direct correspondence with the Residency, it was considered necessary to submit the book to Government for transmission to the Residency. If this procedure be not necessary in the opinion of Government, or if para 2 of your office letter No. L.5894 Med. 96-21-4, dated 7th April 1922, has to be taken to imply direct transmission of the book to the Residency

Residency, the book may kindly be returned to me for the purpose. No standing order on this subject is available.

Yours sincerely
